## Haneda Airport Named World's Best in Three Categories at 2025 SKYTRAX World Airport Awards

World's Cleanest Airports: Ranked No. 1 for 10th consecutive year

World's Best Domestic Airports: Ranked No. 1 for 13th consecutive year

World's Best PRM/Accessible Facilities: Ranked No. 1 for 7th consecutive year

Haneda Airport passenger terminals<sup>\*1</sup> have received 1st place for the 10th consecutive year in the World's Cleanest Airports category of the 2025 World Airport Awards conducted by the UK company, SKYTRAX<sup>\*2</sup>, as well as 1st place for the 13th consecutive year in the World's Best Domestic Airports category, and 1st place for the 7th consecutive year in the PRM<sup>\*3</sup>/Accessible Facilities category. Haneda was also awarded 2nd place in the Best Airports in Asia category, which ranks airports in Asia based on overall quality, and 3rd place in the World's Best Airports category, the comprehensive global ranking by SKYTRAX.

In the World's Cleanest Airports category, Haneda was voted 1st for the 12th time and the 10th consecutive year, praised for its excellent standards of cleanliness and comfort, while in the World's Best Domestic Airports category, it was voted 1st for the 13th consecutive year, in recognition of the comfort and overall ease of use of its domestic terminal areas. Its emphasis on initiatives designed to assist passengers who require mobility assistance is behind Haneda Airport's 1st place for the 7th consecutive year in the World's Best PRM/Accessible Facilities category.

Haneda Airport plays an extremely important role as a hub airport with a dynamic domestic and international route network. With a spirit of gratitude to customers who use the airport, our staff are committed to providing outstanding service and striving to further improve facilities, safety, and convenience from a customer perspective. To help realize a sustainable society, we are also working to reduce the environmental impact of our operations, with the aim of becoming an environmentally friendly airport. Going forward, we will continue striving to earn the trust of our customers from around the world, those in the aviation industry, and other stakeholders through our airport operations. We will also endeavor to improve our services and create an airport that is friendly to both people and the environment in order to contribute to the further advancement of the airline industry.

<sup>\*1</sup> At Haneda Airport, Terminals 1 and 2 are owned, managed and operated by Japan Airport Terminal Co., Ltd. and Terminal 3 is owned, managed and operated by Tokyo International Air Terminal Corporation.

<sup>\*2</sup> SKYTRAX is a UK-based aviation research company established in 1989. The company assesses world airports and airlines over a diverse range of assessment criteria.

<sup>\*3</sup> PRM is an acronym for "Persons with Reduced Mobility," a term that includes elderly, disabled, or injured passengers.
